## CANADIAN HERO WILL LECTURE IN THIS CITY WEDNESDAY NIGHT

Captain Stanley Nelson Dancy, Late of the Canadian Army, Will Deliver Free Lecture In Chautauqua's Interest.

Captain Stanley Nelson Dancy, a captain of one of the famous Canadian army's units in the World War, will be the speaker at a meeting of those interested in the success of the 1920 Maysville Chautauqua to be held at the Farm Bureau Hall in Second street Wednesday evening at 8 o'clock.

Captain Dancy is not only a hero of the European battlefields but is one of the most powerful speakers on the American platform today. He has delivered his famous lectures all over Europe and the United States and his message here will be very interesting. His address will be absolutely free and cards have been issued to those who have shown themselves especially interested in the chautauqua while all others interested will be given welcome.

This gentleman's visit to Maysville is for the purpose of stirring interest in the sale of season tickets for the Maysville Chautauqua. Members of the Maysville Settlement Club who have been distributing season tickets for the past several days, report interest running high and there is no doubt now that the 1920 chautauqua will be a financial success.

Arriving in Maysville tomorrow morning Captain Dancy will begin the advertising campaign and this year a more extensive advertising campaign than before is being planned. The campaign will extend more into the county this year than heretofore and the Chautauqua will be made a county affair beginning with this year. Already many country people have purchased season tickets and with the general use of the automobile the farmers and their families can take advantage of these annual programs of inspiration and education.

## C. & O. BRAKEMAN SERIOUSLY INJURED AT SOUTH RIPLEY

Veteran Railroad Man Suffers Compound Fracture of Right Leg When Cars Come Together.

C. & O. Brakeman F. L. Landerback, aged 43, of 1540 Holman street, Covington, was seriously injured at South Ripley this morning when he suffered a compound fracture of the right leg below the knee and bad bruises on the left leg. He was brought to Maysville immediately after the accident and received first aid from Dr. A. O. Taylor, local C. & O. surgeon, and was taken on west bound train No. 3 to Speers' Hospital at Dayton, Ky.

Mr. Landerback, who was a brakeman on the Maysville West bound local freight, was riding a car onto the South Ripley spur. The car upon which he was riding ran into a heavily loaded car of lumber with considerable force. The lumber on the car standing in the siding, extended out considerably over the end of the car so that it caught Mr. Landerback's legs and crushed them.

Although the veteran railroader is suffering from very serious injuries it is quite fortunate that he was not instantly killed.

## BOLSHEVISM WILL BE SUBJECT OF LECTURE ON FRIDAY EVENING

Knights of Columbus Will Give First Free Lecture Friday in Series On Americanism at the Court House.

HON. DAVID GOLDSTEIN.

Not resting on the laurels won as being among the first and most popular among the war-time activities, the after-war activities of the Knights of Columbus are marked, if possible, by an even greater zeal in the field of reconstruction. Never in the history of time has any purely social organization done so much in the cause of education and good citizenship as has the Knights of Columbus. Scholarships it has in at least fifty of the greatest universities both state and non-Catholic as well as Catholic universities for in seeking to bestow the advantages of education, the Knights seek not for religious tests.

"All are welcome," "Everything free" were the hospitable slogans over the doors of the Knights of Columbus huts which gladdened the soldier in Europe and in America, whether within the states or on the Mexican border. So likewise the education, intellectual, manual, physical and in the trades which is offered in both day and night schools every place and to all comers where the number of applicants justify their establishment of such schools.

Likewise in its social work for reconstruction the Knights have been performing yeoman service in behalf of good government and loyalty to the flag. A part of that social work will be the address which will be given under the auspices of the local Knights Maysville Council No. 1377, when on Friday night next at the court house at 8 p. m. they will present to a Maysville audience Hon. David Goldstein, of Boston, Mass., who will address the public on the subject of "Bolshevism." With opportunities to study the subject first hand possessed by few Mr. Goldstein present the matter in a striking manner. This is a very timely lecture. The Knights of Columbus extend the glad hand to everybody. Ladies and gentlemen. Everybody welcome; everything free.

## HIGH TRIBUTE PAID JUDGE COCHRAN AT LEXINGTON

Fayette County Bar Pays High Tribute To Judge Cochran at Opening of First Session of Lexington Federal Court.

At the opening of the first session of Federal Court at Lexington Monday the Fayette county bar association highly honored Judge Cochran by bestowing his desk with beautiful flowers.

In presenting the flowers Attorney W. C. Hobbs said:

"Upon behalf of the Lexington and Fayette county bar, I move to be permitted to present your Honor with these flowers as a slight token of the high esteem in which you are held by every member of the bar as judge, lawyer, loyal citizen and Christian gentleman.

"We feel that your judgments and decrees are as pure as the fragrance from these flowers and will stand as memorials to the highest principles of justice, tempered always with that sweet mercy that proclaims the real man of genuine attainments.

"Insignificant in intrinsic value, yet they come to you blended with tenderest love and highest respect from every member of this bar, and we pray you to accept them in this spirit and as a token of our abiding loyalty, continuing faith and never ending belief in you as a great judge and loyal citizen, always and everywhere pointing men to a higher and nobler life.

"I move to be allowed upon their behalf to present you with this pen with which to sign the first and all subsequent decrees of this court in this room so long as it may last.

"All of which is done upon behalf of and is an expression of the tender love and high esteem in which you are held by every member of this bar."

Judge Cochran in his reply said: "I appreciate what has been said here and I hope it is true. I hope we are going to have a good court here and I believe we are. I am glad to greet the bar of Fayette and surrounding counties. As to the beautiful flowers, I can say that 'Solomon in all his glory was not arrayed like one of these.'"
